Susan Silva reported the doll and clothes made by the girls had been sent to Lakeville Hospital.

The lecturer's program was in charge of David Bradley who conducted a well attended record hop. Balloons were enjoyed with Jane Harris as winner in keeping hers intact the longest time.

Shawn Jefferson was hostess and served punch at intervals.

The next meeting will be a birthday celebration

A most enjoyable evening of musical entertainment is certainly in store for those who have already purchased tickets for the concert to be presented by the "Harpoon Harmonizers" in the Gilbert Bristol Auditorium on Friday, June 19th. Sponsored by the Old Rochester Chapter, American Field Service, the concert is a fund-raising project to help bring a foreign student here to study at the Old Rochester Regional High School for the next school year. The amount to be raised is $700. Miss Lourdes Villa Duque of the Phillippines who has been staying with the Theodore Lacey family of Marion was sponsored by the Chapter for this year. She was graduated with the senior class last Friday evening. Her friendly outgoing personality has won her many friends here.

poon Harmonizers", the name used by the New Bedford Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. This "Society with the long name" is dedicated to community service while perpetuating the old quartet style of singing. This is one of the few, truly American forms of music.

The singing group is made up of men from all walks of life, lawyers, judges, mechanics, firemen, salesmen, and all are drawn together by a common bond -- love of the old style of singing. Membership is open to all men of good character who love the old songs and seek to preserve that "old barbershop quartet". Mr. Baptiste Balestracci is leader of the Harmonizers.

Since the "Harmonizers" were chartered over eighteen years ago, they have helped to raise many thousands of dollars for various worthy causes, including Boy Scouts, Boys' Clubs, Retarded Children, etc. On many occasions where the raising of funds was not the concern, they have supplied many hours of entertainment to shut-ins or others confined for any reason.

While helping the community on one hand, they have not neglected the other side -- to perpetuate the quartet style. During this same period of eighteen years, the New Bedford Chapter has compiled an enviable record in competition. It is seldom that a year goes by that either the chorus or one of its quartets does

In Little League games on Tuesday the Greens toppled the Cubs from the undefeated list behind the fine pitching of Tim Smith and the lusty hitting of Mike Menezes. Rochester downed the Blues by a 9 to 8 score and the Eagles defeated the Reds 7 to 3.

Thursday saw the surprise of the season when the Reds beat the Cubs 5 to 4 behind the cool and heady pitching of Dave Haley and the heavy hitting of Jimmie Sullivan. With the score tied, in the last of the sixth inning, Mark Peterson delivered the clutch hit that won the game. The Blues beat the Eagles 3 to 2. Friday evening, the Greens beat Rochester by a 13 to 8 score.

On Sunday, the Greens were defeated by the Cubs in a make-up game by a 3 to 2 score. Jack Stanton, of the Cubs, saved the game with a great catch, off the bat of Phil La France, that had home run written all over it.

This weeks' games start the second half and all the teams get a new start. As of now, the Greens have a make-up game with the Blues, Reds with Rochester and the Blues and the Cubs with the Eagles. These games will be played on dates other than Little League nights.

At the end of the past week, the standings are as follows:

| | Won | Lost | Pct. |
|---|---|---|---|
| Greens | 7 | 2 | 777 |
| Cubs | 7 | 2 | 777 |
| Eagles | 5 | 4 | 555 |
| Rochester | 4 | 5 | 444 |
| Blues | 2 | 6 | 250 |
| Reds | 1 | 7 | 125 |

More people are watching Little League games which is an encouraging sign. Possibly, the new benches are a contributing factor. If you have not seen the little ones play, you should as you will get a kick out of them.

GRANGE MEETING

Mattapoisett Subordinate Grange will hold its bi-monthly meeting Thursday night. Members of the Junior Grange will put on the program. Mr. and Mrs. Leonard Randall will be refreshment hosts.

WHIST PARTY

There will be a whist party in the Mattapoisett Grange Hall Thursday afternoon, June 18th, at 1:30 P.M. Proceeds to be added to the paint ing fund.

*"This flag, which we honor and under which we serve, is the emblem of our unity, our power, our thought and purpose as a nation. It has no other character than that which we give from generation to generation. The choices are ours. It floats in majestic silence above the hosts that execute those choices, whether in peace or in war. And yet, though silent, it speaks to us — speaks to us of the past, of the men and women who went before us, and of the records they wrote upon it."*

government and the waterways division in particular. Mr. Prince also mentioned his own candidacy for reelection.

Attorney Howard W. Young of Dartmouth spoke for John Volpe and stressed his experience, his instigating the Crime Commission and his vote getting power. Chairman Haley read a letter from Senator Philip A. Graham who regretted not being able to attend the session.

Chris Byron of Wareham, who is running for Governor's Councilor, spoke of his political views and asked for support. He said that it is important to have men of integrity in the Council.

Mr. Jesse L. Folger, chairman of Dartmouth's Republican Town Committee, spoke. Chairman Haley invited Mr. Folger to outline the measures that have made Dartmouth's committee one of the best and most active in the area. Mr. Folger made many interesting suggestions that have worked in his town.

In order to avoid conflict with Lions Club meetings, the town committee voted to change the meeting date to the third Wednesday of the month.
